

Nirmala College Community - the Season of Creation

The season of Creation is a beautiful time for all of us to renew our relationship with our creator and all creation, through celebration, conversion and commitment together. During the season of creation, we join our brothers and sisters in prayer and action for our common home.

Activities done in the community to care for the Common Home

- ❖ We praise and thank God our creator for all plants, trees, flowers, birds, animals etc.
- ❖ We've got pet dogs and rabbits. Sisters take care of them so lovingly.
- ❖ We plant saplings and seasonal flowers and care for its growth regularly.
- ❖ Time to time we engage ourselves in weeding, manuring, loosening the mud and watering etc.
- ❖ We make conscious effort ourselves and conscientise our in-maids and hostellers to make our campus neat and clean by proper disposal of plastics and garbage.
- ❖ We prepare composed manure by putting all grass and dry leaves.
- ❖ We send vibrations of peace, joy and well-being to everyone through our prayers.
